... 1950

Intramurals

Football

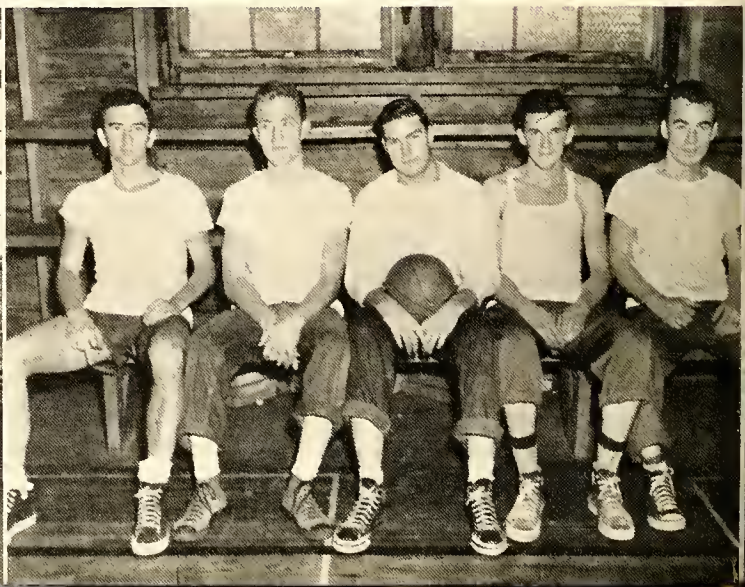

Quick thinking . . . keen competition, spirit, and morale makes football very enjoyable.

Fall and football! We can not say one without thinking of the other. The UNKNOWNNS took winning honors in the popular sport during the 1950 season. The UNKNOWNNS are: (left to right) Back row—Bobby Miller, Harold Hampton, Gene Smith, Charlie Brown, and Glenn Summers. Front row—Louis Evans and Bob Moose.

Basketball

Pep, get-up-and-go, hustle, and lots of zip . . . that's our teams' spirit.

Again the UNKNOWNNS took first place in basketball among the boys. The girls' winning team was the FLAPDOODLES. Basketball, probably the most popular sport of all, provided much competition and enjoyment during the winter months.

Crowded courts . . . friendly atmosphere . . . this makes spring and tennis enjoyable.

First sign of spring at Mitchell is the rush to the tennis courts. Come early and stay late. Both courts are overflowing with students at any time of the day. Plenty of exercise chasing those wild balls and a good way to get an early sun tan.

Tennis

Baseball

Baseball is another of our spring sports. Fun to those who watch and those who play. The 1950 baseball team consisted of: (left to right) Back row—Bob Kale, *Manager*, Carl Thompson, Carl Britton, Jim Murdock, Bud Conklin, Bob Moose, Al Shelton, James Pearson, Red Earle, *Coach*. Front row—Bill Lofton, Glenn Stutts, Willie Martin, Bill Hutchinson, Sonny Benfield, and George Taylor.

Strike! . . . the Bowling Alley rumbles with the constant playing of the students. Bowling is always popular any time of the year. The weekly trips to the alleys are looked forward to with much anticipation.

Bowling

Ping-Pong

Those lucky returns and serves that make ping pong a sure-fire sport any season.

In our ping pong tournament, Jim Murdock won first place. The ping pong table in the Kit is handy for all who want to play a quick game. Competition is keen and everyone has fun.

Shuffleboard, played in the Gym, is enjoyed by all. Not much muscle involved, but quite a bit of skill.

Shuffleboard

Badminton

An enjoyable way to get a lot of exercise . . . fun and a good sport any time of the year.

Badminton is a favorite on rainy or cold days. A good indoor sport that everyone loves. Barbara Moorefield came out on top in the badminton finals.
